**GET HOOKED
ON LOGGING**

It's as easy as 1-2-3!

For Initial Registration:

- Go to <http://cobbrides.com/CommuterRewards.html> and scroll down to the company list. Click on your company name or office park.
- Save that company page to your favorites or desktop for easy future logging.
- In the left column you will see a list of choices. Click on "registration."
- Complete the employee registration. Be sure to type your email address correctly.
- If you are currently CarPooling, you must list your CarPool partner(s).
- Click "submit" at the bottom of the page.

To Log Your Daily Commute:

- Use your "favorites" or desktop to easily return to the site to log your daily commute.
- In the left column, choose "Daily Commute Log" and enter the email address with which you originally registered.
- Click on "log" on the day you wish to log your commute.
- It will ask how you got to work that day, and how you plan to return home. You must answer both questions. When you click on each answer, your screen will briefly "refresh."
- Click "submit" to record your commute.

The initial registration takes approximately 3 minutes and each daily log takes about 5 seconds. Every time you enter a clean commute, your name goes into a drawing for a \$25 gift card.

You must be registered at this website to be eligible for Commuter Rewards and other incentives provided by CobbRides.
