Project Updates

**Project Name: Greer's Chapel
Road /So. Barrett Reliever**

[Click Here](#) to see a map of the project

Project Description:

This project consists of the realignment of Greers Chapel Road at its intersection with Barrett Lakes Blvd. so that Greers Chapel Road coming from Barrett Parkway will intersect with Greers Chapel Road and Barrett Lakes Blvd. The Greers Chapel Road coming from Cobb Parkway and Barrett Lakes Blvd. will be widened to four lanes with a 20' raised median. The section of Greers Chapel Road between Barrett Parkway and Barrett Lakes Blvd will also be widened to a four-lane section with a 20' raised median. This is the first phase of a two or three phased project to provide congestion relief to Barrett Parkway by constructing a reliever more or less parallel to Parkway on the south side of Barrett Parkway.

Project Schedule:

Construction to begin Summer 2009

Project Value:

Task Amount/Funding Source

Design - \$727,499 - TCACID

Right-of-Way – 1,182,213 - TCACID/Cobb County DOT

Construction –\$3,160,640 – TCACID

Project Team:

Consultant: ARCADIS

Contractor: C.W. Matthews
