

CONGRATULATIONS to

Amanda Ostraat

www.CobbRides.com

and
thanks
for
being
involved
with
the

Carbon
Neutral
Day!

Special thanks to **CobbRides** as they donated the wonderful gift basket for the giveaway. We were able to raise \$120 toward the purchase of 9 metric tons of carbon credits to offset a portion of our Atlanta operations carbon emissions from our energy consumption activities.

Our efforts are moving MACTEC towards our continuing mission of sustainability. We look forward to more events in the future and recognize and appreciate the involvement of all participants.

It starts with you! Thank you for making the day a great success...
